

CATALOGUE OF PAMPHLETS IN THE LIBRARY OF THE NATURAL HISTORY SOCIETY.

ANTHROPOLOGY.

Guide to the Specimens Illustrating the Races of Man-
kind in the British Museum.

BROWNLEE, J., M.A., M.D., D.Sc.

Certain Considerations on the Causation and Course of
Epidemics.

Germinal Vitality: A Study of the Growth of Nations
as an instance of a hitherto undescribed Factor in
Evolution.

Inheritance of Complex Growth Forms, such as Stature
on Mendel's Theory.

Mathematical Theory of Random Migration and Epidemic
Distribution.

Note on the Calculation of the Probabilities of Life at
High Ages.

Note on the Possibility of Analysing Race Mixtures into
their Original Elements by the Mendelian Formula.

Relation of the Mono-Molecular Reaction to Life-
Processes and to Immunity (*jointly with R. M.
Morison*).

Significance of the Correlation Co-efficient when Applied
to Mendelian Distributions.

Statistical Studies in Immunity: A discussion of the
means of estimating the severity of cases of acute
disease.

MAMMALS.

Hints on Removing and Preparing Skins of Mammals
(British Museum Publications).

British Museum Guide to the Galleries of Mammals.

B.M.G. to the Specimens of the Horse Family.

B.M.G. to the Whales, Porpoises and Dolphins.

B.M.G. to the Great Game Animals.

B.M.G. to the Elephant, Recent and Fossil.

B.M.G. to the Domesticated Animals.

BUCHANAN, FLORENCE, D.Sc.

The Significance of the Pulse Rate in Vertebrate Animals
(S.I., 1911).

GRANT, MADISON.

Condition of Wild Life in Alaska (S.I., 1910).

BIRDS.

Instructions for the Preservation of Birds (B.M.).

British Museum Guide to the Gallery of Birds.

British Museum Guide to the Nesting Series of British
Birds.

ROBERTSON, JOHN.

A List of the Birds of the Island of Bute (1903).

The Birds of Rouken Glen Park (1907).

The Little Stint at Balgray Reservoir, and the Common
Sandpiper (1908).

Nesting Dates of some of the Waders (1908).

BARRETT, C. L.

The Origin and Development of Parasitical Habits in
the *Cuculidae* (S.I., 1910).

BEEBE, C. WILLIAM.

A contribution to the ecology of the adult Hoatzin (S.I.,
1911).

DUERDEN, PROF. J. E., M.Sc.

The Plumages of the Ostrich (S.I., 1911).

HAAGNER, ALWIN, F.Z.S.

Some Remarks on the Protective Resemblance of South African Birds (S.I., 1910).

HENSHAW, HENRY W.

Migration of the Pacific Plover to and from the Hawaiian Islands (S.I., 1911).

TROTTER, SPENCER.

An Inquiry into the History of the Current English Names of North American Land Birds (S.I., 1910).

AMPHIBIANS, REPTILES, &c.

British Museum Guide to the Galleries of Reptilia and Amphibia.

Instructions for Collecting Reptiles, Batrachians, and Fishes.

FISHES.

British Museum Guide to the Gallery of Fishes.

RITCHIE, JAMES, M.A., D.Sc.

An Ambicoloured Turbot with Eyes Approximately Normal in Position (1911).

ELMHIRST, RICHARD, F.L.S.

On Some Ambicoloured Flatfish from the Clyde (1911).

PATIENCE, ALEXANDER.

On the Occurrence of *Gobius Orca* within the Clyde Sea Area (1908).

MOLLUSCS.

British Museum Guide to the Shell and Starfish Galleries.

List of the British Marine Mollusca (1902).

List of the British Non-Marine Mollusca (1904).

ELMHIRST, RICHARD, F.L.S.

Notes on Nudibranchiate Molluscs (1908).

INSECTS, CENTIPEDES, SPIDERS, &c.

British Museum Guide to Exhibited Series of Insects.

B.M.G. to the Crustacea, Arachnida, Onychophora and Myriopoda.

Notes on History, Geology and Entomology of the Vale of Derwent (Durham) (1905).

BAGNALL, R. S., F.E.S., F.L.S.

British *Symphyla* and British *Pauropoda*.

Notes on some *Pauropoda* in Northumberland and Durham.

BALLANTYNE, JOHN.

Occurrence of *Sirex gigas* and *S. juvenis* in Bute and Arran (1904).

The same (1898).

CAMERON, PETER.

Hymenoptera of Scotland Part I. (1878); Part II. (1886).

Catalogue of the British *Tenthredinidae* (1878).

ELMHIRST, RICHARD, F.L.S.

List of *Pycnogonida* Collected in the Clyde Area.

KING, J. J. F. X.

A Contribution Towards the *Neuropterous* Fauna of Ireland (1889).

MAROTEL, G.

The Relation of Mosquitoes, Flies, Fleas and other Anthropods to Pathology (S.I. 1910.)

ROUBAND, E.

The Natural History of the Solitary Wasps of the Genus *Synagris*.

CRUSTACEA.

British Museum Guide to the Crustacea, Arachnida, Onychophora, and Myriopoda.

HENDERSON, J. R.

The *Decapod* and *Shizopoda* Crustacea of the Firth of Clyde (1886).

MINKIEWICZ, ROMUALD.

The Instinct of Self-Concealment and the Choice of Colours in the Crustacea (S.I., 1910).

PATIENCE, ALEXANDER.

On some terrestrial Isopods new to the Clyde Faunal Area (1908).

On *Trichoniscoides albidus* and *T. Sarsi* (1908).

On *Trichoniscus linearis* (1908).

On *Trichoniscus spinosus* (1907).

Some notes on the distribution of the Clyde *Crangonidae* (1908).

On the occurrence of the Schizopod, *Pseudomma roseum*, within the Clyde Sea Area (1905).

On *Idothea neglecta* and *I. viridis*, within the Clyde Sea Area (1908).

Some notes on the male of *Dexamine thea* (1908).

RITCHIE, JAMES, M.A., D.Sc.

The occurrence of a rare crab, *Paromola Cuvieri*, in Scottish Waters (1910).

On the Distribution of the Thorny Lobster, *Palinurus vulgaris*, in British Waters (1910).

ROBERTSON, DAVID, F.L.S., F.G.S.

Amphipoda and *Isopoda* of the Firth of Clyde (Two parts, 1888 and 1892).

Notes on the *Ostracoda* and *Foraminifera* of the Firth of Clyde (1874).

Fresh and Brackish-Water *Ostracoda* of Scotland (1880)

OTHER ANIMAL GROUPS.

GEMMELL, JAMES, F., M.A., M.D., D.Sc.

Notes on the Adult Anatomy of *Solaster Endeca* (1911).

The Development of *Solaster Endeca* (1912).

A Specimen of *Ligula simplicissima* (1909).

RITCHIE, JAMES, M.A., D.Sc.

Contribution to our Knowledge of the Hydroid Fauna of the West of Scotland (1911).

The Cotton Spinner, *Holothuria forskali* (1910).

ROBERTSON, DAVID, F.G.S.

Notes on the *Ostracoda* and *Foraminifera* of the Firth of Clyde (1874).

ROBERTSON, MURIEL.

Notes on Blood-inhabiting Protozoa (1907).

Studies of a Trypanosome Found in the Alimentary Canal of *Pontobdella Muricala*.

British Museum Guide to the Coral Gallery.

B.M.G. to the British *Mycetozoa*.

GENERAL PAMPHLETS ON ZOOLOGICAL SUBJECTS.

Opinions Rendered by the International Commission on Zoological Nomenclature (S.I., 1911).

DONCASTER, LEONARD, M.A.

Recent Work on the Determination of Sex.

ELMHIRST, RICHARD.

Notes from Millport Station (1910 and 1912).

GEMMILL, J. F., M.A., D.Sc., M.D.

Adaptation of Ordinary Paraffin Baths for Vacuum Embedding (1911).

An Automatic Aerating Apparatus (1910).

Aerator Suitable for Laboratory Aquaria (1910).

Laboratory Aquarium Notes (1911).

GLANGEAUD, PH.

Albert Gaudry and the Evolution of the Animal Kingdom (1910.)

ZIMMERMAN, MAURICE.

The Antarctic Land of Victoria. From the Voyage of the Discovery (S.I., 1910.)

BOTANY.

British Museum Guide to Sowerby's Models of British Fungi.

British Museum List of British Seed Plants and Ferns.

BALLANTYNE, J.

Bute Plants, List of 1910.

Cladium germanicum in Bute (1894).

JOHNSTONE, R. B.

Clydesdale Fungi (1900 and 1907).

KEDDIE, WM.

Flora of the Island of Cumbræ (1873).

STIRTON, JAMES, M.D., F.L.S.

Scottish Mosses.

DIXON, HENRY H., Sc.D., F.R.S.

Transpiration and the Ascent of Sap (S.I., 1911).

GRAVES, HENRY S.

Forest Preservation (S.I., 1911).

SAFFORD, WM. EDWIN.

The Sacred Ear-Flower of the Aztecs (S.I., 1911).

SPALDING, VOLNEY M.

Present Problems in Plant Ecology: Problems of Local Distributor in Arid Regions (S.I., 1910.)

GEOLOGY.

British Museum Guide to Fossil Invertebrates and Plants.

B.M.G. to the Fossil Reptiles, Amphibians and Fishes.

B.M.G. to the Fossil Mammals and Birds.

Catalogue of Rock Specimens Collected by Geol. Survey of Scotland.

Boulders: First Report by Committee of the Royal Society of Edinburgh (1872).

GEIKIE, SIR A., F.R.S.

The Progress of the Geological Survey of Scotland (1869).

The Geology of Strath, Skye.

Glacial Drift of Scotland (1863).

Modern Denudation (1868).

MACNAIR, PETER.

Discovery of an Outlier of the Loch Tay Limestone on Beinn Bhreac, Loch Tay, Perthshire.

Introduction to the Study of Rocks on Pseudogaylussite dredged from the Clyde and Cardross (1904).

On the Physical Geology and Palæontology of the Giffnock Sandstones (1900.)

The Intrusive Dolerites in the Neighbourhood of Glasgow (1907).

Camp Siluria (1905).

Genera of Plants in the Old Red Sandstone (1898)
(jointly with J. Reid.)

RAMSAY, ANDREW CROMBIE.

The Geology of the Island of Arran.
